

Instructions for Presentation

To ensure fairness, uniformity, and clarity in evaluation, all participating teams are required to strictly adhere to the following presentation guidelines for the online round:

1. Standardized Format

- All presentations must consist of 10 slides, following the prescribed sequence.
- The index and order of slides must remain unchanged to maintain uniformity during evaluation.

2. Slide Content Requirements

- Slide 1 – Title Slide: Project Title, Team Name, Team Members (with designated roles).
- Slide 2 – Problem Statement: Real-world challenge addressed, significance of the problem, and gaps in existing solutions.
- Slide 3 – Proposed Solution: Clear description of the idea, approach, and innovative aspects.
- Slide 4 – Objectives & Goals: Well-defined objectives, expected outcomes, and long-term vision.
- Slide 5 – Technology Stack: Languages, frameworks, tools, APIs, or integrations applied.
- Slide 6 – System Workflow/Architecture: Flowchart or diagram demonstrating process flow and user interaction.
- Slide 7 – Key Features & Innovation: Unique features, innovations, and differentiating factors.
- Slide 8 – Implementation Plan: Development phases (idea, prototype, testing, deployment).
- Slide 9 – Challenges & Risk Management: Anticipated barriers and mitigation strategies.
- Slide 10 – Impact & Conclusion: Benefits, scalability, adaptability, and concluding remarks.

3. Design and Formatting

- Font size: A minimum of 18 pt for body content and 20 pt for headings is mandatory.
- Presentations must be concise, avoiding text-heavy slides.
- Visual aids (diagrams, icons, flowcharts) are strongly encouraged.

4. Prototype Demonstration

- A working prototype must accompany the presentation.

- The prototype demonstration should directly align with and support the content of the slides.

5. Time Allocation

- Each team will be allotted 8 minutes for presentation and prototype demonstration, followed by 4 minutes of Q&A with the panel.
- Teams must designate speaking roles in advance to ensure smooth delivery within the allotted time.

6. Submission Protocol

- The same PPT and prototype submitted on Devfolio will be presented during the online round.
- Final submission deadline is 20th September, 9:00 PM. Submissions beyond this time will not be considered.

7. Evaluation Criteria

i. Clarity and coherence

ii. Originality and innovation

iii. Technical soundness

iv. Practical and societal impact

v. Responsiveness during Q&A

Compliance with the prescribed PPT structure and formatting guidelines will be part of the evaluation process.
